

# Frog Mask

## Instructions

1. Cut out the center of a paper plate, leaving a two-inch wide by one-inch tall tab at the base. (See image below.)
2. Color the frog face. (To make the mask more durable, glue the pattern to card stock before cutting.)
3. Fold the frog face in half and cut out the face and inside of the mouth.
4. Glue the face onto the tab on the paper plate. Glue the craft stick onto back of the plate.
5. Insert the party blower into the frog's mouth.
