Woodpecker Toy

What you need
• woodpecker pattern (next page)
• card stock
• plastic straw (cut down to 1")
• rubber band (cut in half)
• 2 beads
• glue stick, scissors, and tape

What you do
1. Print the woodpecker pattern on card stock and cut it out.
2. Fold the pattern in half and then tape the straw between the two bird halves. (See photo.)
3. Glue the two sides of the bird together. Let dry.
4. Thread the rubber band through the straw. Then tie a bead to each end of the rubber band.
