

Duck Bunny Craft

Instructions:

1. Glue a sheet of brown paper to a sheet of yellow paper. Allow to dry.
2. Attach the pattern to the construction paper. Cut out the shape.
3. Draw the bill, eye, and feet on the duck (yellow side).
4. Draw the ear, eye, nose, and paw on the bunny (brown side).
5. Glue feathers on the duck to make a wing. Be careful not to let the feathers go over the edges.
6. Glue the cotton balls on the bunny to make a tail.
