ANIMAL HOMES

If you walk through your neighborhood, you’ll see houses where people live. But you’ll also pass the homes of many animals—they’re just not as easy to spot! Take a hike through town or a nearby natural area and keep a record of the animal homes you observe.

Keep a record!

Helpful Things to Take Along:

- Camera
- Binoculars
- Magnifying glass

CAN YOU FIND:

- A tree hole
- A hole in the ground
- A bird’s nest
- A leafy squirrel nest
- A big rock or log (look underneath!)
- A rolled-up leaf
- Holes or tunnels in tree bark

Draw and describe the animal homes you see in the boxes below.
