

Feed the FROG

What you need

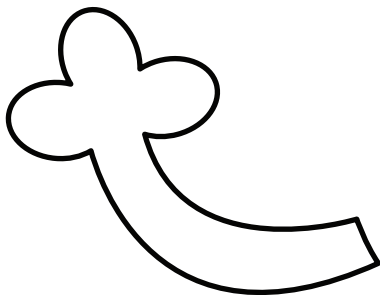

- "Feed the Frog" pattern
- toilet-paper tube
- sheet of light cardboard
(Paper plates or file folders work well.)
- tempera paints
- piece of red yarn—24"
- markers, glue, and stapler

What you do

1. Use the pattern to cut the frog's legs and the fly out of the cardboard.
2. Staple one end of the toilet-paper tube together.
3. Paint the frog's body and legs, as shown. Set aside to dry.
4. Color the fly with markers.
5. Glue the frog's legs onto the bottom of the frog's body.
6. Thread the yarn through the frog's body. Glue the fly onto one end of the yarn.
