

Raccoon Valentine

What you need

- valentine pattern
- black construction paper
- brown construction paper
- 2 googly eyes
- scissors and glue

What you do

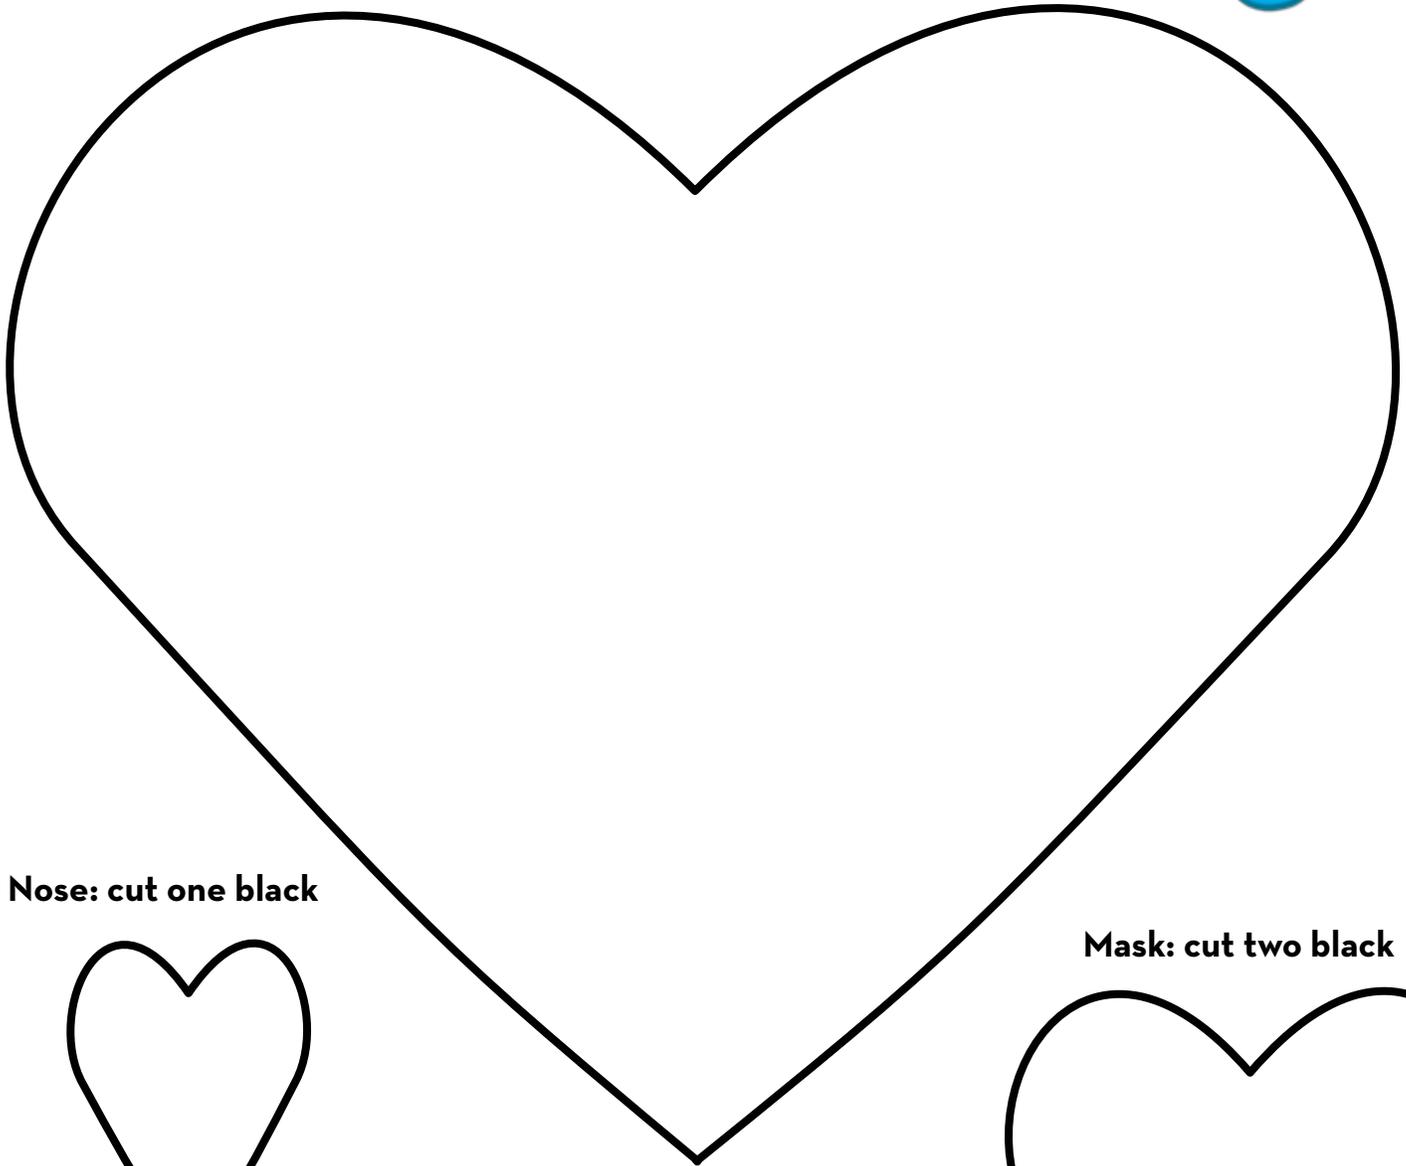

1. Use the pattern to cut hearts out of construction paper (3 brown and 5 black).
2. Glue two medium-sized black hearts onto the large brown heart to make the raccoon's "mask."
3. Use the five small hearts to make the ears and nose as shown in the photo.
4. Glue the googly eyes in place.
5. Write a Valentine message on the back of the raccoon.
