

Ladybug Race

Dotty and Spots are ladybugs. And they are hungry! Find a friend and race to see who will get to lunch on aphids first.

Dotty **SPOTS**

START

Slip on a wet leaf. Go back one space.

A gust of wind blows you forward two spaces.

Dash past a spider in its web. Go forward one space.

Wait for a frog to hop away. Lose one turn.

The coast is clear. Take an extra turn.

See a hungry bird. Play dead. Lose one turn.

Stop to watch a butterfly. Lose one turn.

How to Play

1. You'll need a coin and two game markers. (If you made the Ladybug Pals on page 29, use those as markers.)
2. Decide who will be Dotty and who will be Spots. Place a game marker on each ladybug.
3. Take turns flipping the coin. Heads moves two spaces; tails moves one space.
4. If you land on a space with instructions, do what it says.
5. The first ladybug to reach the aphids wins.

Good Luck!
