

# Snake Puppet

## Instructions

1. Using the pattern, cut the snake head out of craft foam.
2. Fold the head in half and staple on both sides.
3. Glue the eyes on the snake's head. Then cut a hole where the "X" is. Slide the party blower through the hole.
4. Cut at least 20 stripes of craft foam using the tail strips pattern.
5. Thread one strip through the back of the snake's head and staple to form a loop. Continue to thread a strip through the last loop, making a chain tail.
