

SIGNS OF AUTUMN

Have you noticed lately that the days are shorter and the air outdoors is crisper? Autumn has arrived. This is the time when plants and animals begin to prepare for winter. Go outside to find more signs of autumn.

Some Signs of Autumn

- Leaf with many colors
- Morning frost
- Pumpkin ripe on a vine
- Apple ready to pick from a tree
- Seeds left behind on flower stalks
- Cattail seeds in white fluff
- Woolly bear caterpillar
- Birds flying south for the winter

Helpful Things to Take Along

- Camera
- Crayons or colored pencils

DIRECTIONS: In the chart below, list four signs of autumn that you find. Write the date and place where you spot each one. In the last column, tape a photo or draw a picture of the autumn sign.
