

A cartoon illustration of Ranger Rick, a raccoon, wearing a tan ranger hat with a black paw print and a green vest. He is holding green binoculars to his eyes and looking towards the right. The background is a vibrant forest scene with green grass, white daisies, and trees with pink blossoms. A yellow butterfly is in the top left, and an orange and black butterfly is in the middle right. The text "HEY THERE!" is at the top in large, bold, white letters with a green outline. Below it, "A gift for you" and "is on its way!" are also in large, bold, white letters with a green outline. In the bottom right corner, the text "Ranger Rick" is written in a stylized orange font with a black outline, followed by a small paw print icon.
